

CALLING ALL ASPIRING FICTION WRITERS

Discover the secrets to successfully writing and publishing your first novel.

John shares his experiences as a new fiction writer and uses examples from his own recently published novels.

John Reynolds, *Writing Your First Novel*

John's book is a step-by-step guide for aspiring writers of fiction in the New Zealand context. Practical and easy to read, this is a book that new writers will return to again and again. John has a fascinating background which includes experience in radio broadcasting, TV and screenplay writing and writing the story and lyrics for a number of successful rock musicals.
